

**TRANSFER FROM INFANT TO JUNIOR STAGE EDUCATION 2021/22**

This form should only be used to apply for a place at a Junior school. If you want to apply for a transfer to a Primary school, you will need to make a separate In Year application in June 2021.

If you are a resident of Bath and North East Somerset you can apply for a Junior school online by visiting our web site [Admissions to Schools](#). Alternatively complete this form (one for each child) using a ball point pen and BLOCK CAPITALS. The closing date for all applications is 15<sup>th</sup> January 2021. You can apply for any Junior school regardless of whether the school is in or outside of Bath & North East Somerset.

If you live outside of this Local Authority (LA) **do not fill in this form**. Contact your home authority for an application form. You will be able to use that form to apply for schools in this authority.

All applicants for Bath and North East Somerset Schools should ensure that they have read the booklet 'A Primary School for your Child in Bath & North East Somerset 2021/22'.

**SECTION 2- SCHOOL PREFERENCES**

Your preferred **Junior** school(s) should be shown in the preference boxes below in priority order. The booklet gives a detailed explanation of the equal preference system. You do not have to show a second or third preference if you do not wish, although you are strongly recommended to do so. You can express a preference for any **Junior** school, including Voluntary Aided (VA) or Academy Schools, within any Local Authority (LA). **Please do not use this form to apply for a primary school place.** You will need to complete an In-Year application in June 2021 as any such request has to be considered for a place in an existing year group and is dealt with under the In-Year admissions scheme. As there is no guarantee that places within a primary school will be available, please make a **Junior** school transfer application by the closing date so that your child is not disadvantaged and can be considered alongside other children for whom Junior school preferences have been made.

Please consider your preferences carefully as, after the closing date, if you decide to change your school preference (or preference order) your original application will be withdrawn and your child will NOT be considered for a school place in the first round of allocations even if the original application was received before the closing date. (See booklet for further details)

Completion of the boxes does not guarantee that a place can be offered to your child at one of these schools. Every effort will be made to offer you a school of your preference. However, if schools receive more applications than places available, the admissions criteria will be used to decide which children can be offered places. **Please note that all preferences are considered equally and if your child qualifies for a place at more than one school you will be offered your highest preference school.**

When completing your preferences if there is more than one school with the same name please also include the area in which the school is situated.

Details of any supporting evidence they may require will be given in their admissions criteria and this evidence should be sent to the school direct. As well as completing this application form certain VA or Academy Schools require you to complete a supplementary information form (SIF), copies of which are available from the schools direct. Please see their admissions criteria for details of which schools require a SIF.

If one or more of your preferences is for a place at a school that uses Faith as part of its admission criteria, the following information may be useful to the schools when considering your application under their admissions criteria:

**SECTION 5 – DECLARATION - PLEASE SIGN AND DATE THIS FORM BELOW**

You should note that the offer of a school place can be withdrawn by the LA even after your child has started school if, at a later date, it is established that the place was offered on a basis of false or misleading information. If you knowingly give false information in order to obtain a school place you could be prosecuted for the offence of fraud by false representation under the Fraud Act 2006 or any other appropriate act.

If false information is provided your application will be void and you will be required to submit a further application. If this is received after the published closing date it will then be regarded as a late application. If it is found that a sibling currently at the school was also offered a place on the basis of false information, then for any further applications received the authority will discount the sibling's connection.

In fairness to all parents the Council reserves the right to require documentary evidence of the genuineness of the family address and, if this is not produced, the Council reserves the right to make its own enquiries with, for example, the Council Tax Offices and other authorities.

In the interest of your child's school placement, the information you provide on the preference form may be shared with the other Local Authorities and Schools in the area.

**General Data Protection Regulation 2018**

The information that you give on this form will be used for the purpose of processing your application for a school place for your child. The information may be shared with other Council Departments for the purposes of verifying the accuracy of the application and if you are also applying for a school outside of Bath & North East Somerset, with LAs and schools in their area.
