

Bathford Church School Admission Arrangements 2021/22

Introduction

These Admission Arrangements comply with the requirements of the 2014 School Admissions Code and the 2012 School Admission Appeals Code issued by the Department for Education under Section 84 of the School Standards and Framework Act 1998 and are reviewed and published annually by the Bath and Wells Multi Academy Trust (The Admission Authority for the School). Should the Trust propose to alter any aspect of policy or practice, a public consultation will be conducted in accordance with the statutory requirements set out in the School Admissions Code. Day to day admission enquiries and decisions in connection with admission applications are managed directly by the School.

1.0	General information
1.1	The School
	Bathford Church School is an inclusive Church of England Primary School. We aim to help all children to become confident learners.
1.2	Who can apply for a school place?
	A parent, registered carer, or another person who has legal responsibility for the child concerned (referred to throughout this document as 'the parent') may submit a school admission application on behalf of that child for any United Kingdom (UK) state funded school.
1.3	The child
	A child of compulsory school age who resides within the UK has a right to receive an education. The child must, at the time of applying for a school place, be a UK citizen, or have European Economic Area Citizenship, or hold an appropriate Home Office Visa entitling him/her to reside in the UK.

1.4	The home address
	<p>For admission purposes, the Admission Authority will consider the home address to be: <i>The address at which the child concerned is living, at the time of application, for more than 2.5 school days per week, with the person(s) who has legal responsibility for this child.</i> This home address should be clearly stated on the application form.</p> <p>Where the child will be moving to a new home address and the parent wishes this to be taken into account, one of the following documents must be made available <u>at the time of application</u> in order to evidence the new home address:</p> <ul style="list-style-type: none"> • A legal ‘exchange of contract’ which confirms the purchase of the property • A copy of a formal tenancy agreement (minimum six month term) signed and dated by the applicant and the Landlord for the property • Where the child will be living at an address other than the parental family home, for more than 2.5 school days per week (for example; with an extended family member, or in emergency or other public accommodation): A formal written letter, signed and dated by the person responsible for the address in question can be provided. This must explain the living/care arrangements for the child and state how long these arrangements are expected to remain in place. • For Children of UK service personnel with a confirmed posting to the area or Crown servants returning from overseas: An official letter confirming a relocation date and Unit postal address or quartering area address
1.5	Siblings
	<p>The oversubscription criteria set out in section 4.2 of these admission arrangements includes an admission priority for children with a sibling attending the school at the time of application who will still be on roll at the time of admission.</p> <p>If a parent wishes a sibling connection to be taken into account, the sibling’s details must be provided on the admission application form and he/she must qualify as a full, half, step or adoptive brother or sister, or a child living for the majority of his/her school time (more than 2.5 school days per week) within the same family unit and at the same home address.</p> <p>The Published Admission Number or admission limit will be exceeded, in order that multiple birth siblings of the same family (twin, triplet etc.) can all be offered places, where otherwise one or more of these children would be refused</p>
1.6	Waiting list
	<p>When an admission application is refused, the child’s name will be entered onto a waiting list for that year group, which will be maintained by the Admission Authority until the end of the school year and then shut down. Names on waiting lists are held strictly in ranked order according to the child’s compliance with the oversubscription criteria. Each time a name is added, the waiting list concerned will be re-ranked. If a place becomes available in the appropriate year, this will be offered for the child ranked highest on the waiting list at that time. A child’s name will be removed from the waiting list if a place is offered and accepted or offered and declined, or the parent requests in writing, that the school removes his/her child’s name.</p>
1.7	Misleading or false information
	<p>Should the Admission Authority become aware that a place was secured for a child at the school on the basis of misleading or false information, it will consider withdrawing the offer, or where a child has already started to attend the school may remove the child from the school roll. Before doing so, the circumstances of the case will be discussed with the parent and, where required, the application will be considered afresh taking into account any new information.</p>

2.0	Starting School in September 2020 (The 'normal' admissions-round)
2.1	The Published Admission Number (PAN)
	The PAN for Foundation (reception) is 30. This is the number of places that can be provided according to the resources available and the need to maintain the size of infant classes within the requirements of statutory Infant Class Size legislation (a maximum of 30 children per teacher unless a child qualifies as a permitted exception admission in accordance with section 2.15 of the 2014 School Admissions Code). If 30 or fewer reception applications are received for September 2021, every applicant will be offered a place for their child, without condition. If more than 30 applications are received, the Admission Authority will apply the oversubscription criteria set out in section 4.2 of this document, in order to rank all the applications and identify a priority for the offer of places up to the PAN. Further places will only be offered where there is sufficient resource available to enable this.
2.2	Ensuring an 'on time' application
	For a child to start school in September 2021, the parent must complete the Common Application Form (CAF) available from the <u>home</u> local authority (the authority in whose area the child resides). In order for the application to be considered as 'on time' the CAF must be submitted to this local authority by 23:59 hours on <u>15 January 2021</u> . The CAF may be completed and submitted using the home local authority's 'on line' procedure, or as a paper form. Full details about the application process and information about the schools in the local authority area are explained in the 'Composite Prospectus' document, which each local authority must make available on 12 th September annually. For families living in Bathford, the <u>home</u> local authority is Bath and North East Somerset County Council http://www.bathnes.gov.uk/services/schools-colleges-and-learning/admissions-schools
2.3	Late applications
	Most local authorities will coordinate 'normal' admissions-round reception applications until 31 August 2021. However, if an application form is submitted to the home local authority after the initial application deadline of <u>15th January 2021</u> , it will be considered as a 'late' application and will not be administered until all on time applications have been processed, at which point there may no longer be a place available at the preferred school(s).
2.4	Notifying the application decision
	Parents will receive an admission decision in writing from the <u>home</u> local authority on or about 16 April 2021. The exact date and the procedure for notifying applicants is set out in the local authority's Composite Prospectus.
2.5	Education Health and Care plan (EHCP)
	A place will be provided for any child who has an EHCP (formerly a Statement of Special Educational Needs) agreed at the time of application, which names Bathford Church School as the education provider. This place will be made available within the Published Admission Number (PAN) before the consideration of any other applications, or above the PAN if places have already been offered at that time.
2.6	Starting school on a full or part-time basis
	A parent may apply for his/her child to start school for the first time in the September following the fourth birthday and, where a place is offered, may choose for the child to start full-time from day one, or to attend on a part-time basis until compulsory school age is reached during the term following the child's fifth birthday.
2.7	Deferred entry to school
	Where a place is offered and accepted for a child who has not yet reached compulsory school age, his/her parent may choose to defer the child's entry to school until later in the school year. However, it is not permitted to defer entry beyond the point at which the child reaches compulsory school age, or beyond the start of the last term in the school year. The school operates on the basis of a three term year.
2.8	Applying for 'delayed entry' on behalf of a summer born child (born 1 April – 31 August)
	A parent of a 'summer born' child who is old enough to start school in September 2021, has

the lawful right to delay the child’s entry to school until September 2022, where he/she considers this arrangement to be in the child’s best educational interests. In these circumstances, the parent may request a ‘retained’ place in the 2022/23 reception year, or choose to submit an In-Year application for a place in year 1 (the relevant age year group).

Please note: Although the Admission Authority will accept an application for a retained Reception place required in September 2022, there can be no indication given as to whether a place will be available until the 2022 ‘normal’ admissions-round is complete.

The following application process must be followed:

1. The parent must submit an application to the ‘home’ local authority during the 2021 ‘normal’ admissions-round, making it clear on the application form that he/she wishes to delay the child’s entry until September 2022. Where the intention is for the child to start with the 2022 reception cohort, this must also be clearly stated on the application form. The Admission Authority will formally note the parent(s) instruction but will not process the 2021 Admission Application Form any further. Effectively, the child concerned will no longer be part of the 2021 ‘normal’ admissions-round.
2. The parent must then wait and make an entirely new application as part of the 2022 ‘normal’ admissions-round in accordance with the application process set out in the ‘home’ local authority 2021 Composite Prospectus document. This will be made available by the local authority from 12th September 2021. The parent should also take account of the published 2022/23 Admission Arrangements which apply to the school.
3. If the school is undersubscribed with reception applications for September 2022, the applicant will receive the offer of a place (without condition) for his/her child on or around 16th April 2022. If the school is oversubscribed with applications for September 2022, the published oversubscription criteria will be applied in order to rank all the applications received (including delayed entry applications) and a priority will be identified for the offer of available reception places. Whether a place can be offered will depend on the outcome of the 2022 application ranking exercise.
4. If the September 2022 (retained) reception application is refused, the right of appeal will apply.
5. Where a parent chooses to delay his/her child’s entry until 2022 and applies for the child to join Year 1 (the relative age group) rather than reception, he/she will need to submit an In-Year application within six school-weeks of the place being required.

3.0	Changing school – The ‘In-Year’ application process
3.1	The Admission Limit
	The Admission Authority will agree an admission limit for each year group other than the year of entry (for years 1-6) as a guideline to the number of places available. Admission limits will be set in order to ensure that as many places as possible can be offered without prejudicing <i>‘the efficient delivery of education and/or the efficient use of resources’</i> and that the statutory Infant Class Size limit is adhered to. In determining a suitable admission limit, the Admission Authority will take into account factors such as; school budget, accommodation, class organisation, the particular needs of the children on roll and the wellbeing of pupils and staff. Consequently, admission limits may be varied from time to time and so the number of places that can be offered will alter accordingly.
3.2	Submitting an In-Year application
	A parent may apply for a child to join the school during the 2021/22 school year by completing the In-Year Application Form which is available to download from the school

	<p>website or upon request to the school office. The completed In-Year Application Form may be returned directly to the school at any time, but applications are only administered during school term time and within six <u>school</u> weeks of the place being required, unless the application is for a child from a Service family or the parent is a Crown Servant returning from overseas. In these circumstances, an application will be considered further in advance providing an official letter is submitted with the application, which sets out a relocation date and confirms a Unit postal address or quartering area address.</p>
3.3	<p>Applying for a year group other than the child's relative (chronological) age</p>
	<p>The In-Year Application Form will usually be submitted for the year group associated with the child's age. However, a parent may apply for an alternative year group where he/she considers this would be in the best educational interests of the child concerned. In this case, the application must be accompanied with as much information as possible to support the case for 'retaining' or 'accelerating' the child. The Admission Authority will then process the application and decide on a 'case by case' basis whether to support a request for a year group other than the relative age, taking into account the information provided and what is deemed by the Admission Authority to be in the best educational interests of the child concerned. Where an application for a 'retained' or 'accelerated' placement is refused, the Admission Authority will further consider whether a place can be offered in the relative age year group. The applicant will have the right to appeal the decision where a place cannot be offered in the relative age year group. 'Retained' and 'accelerated' placements secured through the In-Year admissions process will be reviewed annually with the child's parent.</p>
3.4	<p>The admission decision</p>
	<p>Providing all the required information has been provided and the declaration signed/ accepted, the Admission Authority will process an In-Year application within 10 <u>school</u> days of receipt. The applicant will be notified of the admission decision by first class letter to be posted out within this timeframe. Whether a place can be offered in the required year group will depend on the circumstances at the school at the time the application is considered. The application will be refused where a further admission would impact negatively on the school and prejudice <i>'the efficient delivery of education or the efficient use of resources'</i> and/or breach the statutory Infant Class Size Limit.</p>
3.5	<p>Accepting the offer of a place</p>
	<p>Where a place is offered, it is very helpful if the applicant can confirm acceptance of the offer in writing (by letter or email) within ten school days of receipt of the offer letter although, the school place will remain available for six school weeks from the date of the decision letter. If the child concerned is not attending school with this time frame, the Admission Authority will write to the applicant with a view to withdrawing the offer and making the place available for another child.</p>
3.6	<p>Applying the Fair Access Protocol</p>
	<p>The Admission Authority is committed to 'Fair Access to school for every child'. Therefore, where an application is refused and the child concerned is not on roll or attending another school, the Admission Authority will consider where the child satisfies any of the criteria set out in the Somerset County Council Fair Access Protocol (FAP), which is published on the council website. If the child concerned satisfies any of the FAP criteria, the Admission Authority will make Bath and North East Somerset Council aware of the position and provide a copy of the completed In-Year Application Form. This will enable the authority to decide whether it would be appropriate to engage with the applicant in order to help identify a suitable educational placement without undue delay.</p>
3.7	<p>Children issued with an Education Health and Care plan (EHCP)</p>
	<p>If a child is the subject of an EHCP (formerly a Statement of Special Educational Needs) which names a particular school, his/her parent should consult the local authority that issued the EHCP, <u>before</u> applying for the child to change school. This Local Authority must be involved in the process of agreeing any change of school.</p>

4.0	The Oversubscription Criteria
4.1	Oversubscription
	If there are more applications received at any one time than there are places available within the preferred year group (oversubscription), the Admission Authority will assess every application against the oversubscription criteria set out in section 4.2 in order to rank these applications in priority order, before any places are offered. The oversubscription criteria will also be applied in order to rank children’s names on a waiting list.
4.2	The Oversubscription Criteria
	<p>Priority A –</p> <p>A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who, at the time of application, is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22 (1) of the Children Act 1989 applies);</p> <p>PRIORITY B -</p> <p>[The 2 categories in this criterion will be given equal consideration].</p> <ul style="list-style-type: none"> • Children who live within a 1.5 mile radius* of the school and for whom there will be a sibling in attendance on the admission date at the preferred school. • Children who live outside a 1.5 mile radius* of the school but it is their closest School and for whom there will be a sibling in attendance on the admission date at the preferred school. <p>Priority C –</p> <p>Children who live closest to the school as measured in a direct line.</p> <p><u>Additional Notes</u></p> <p>To be considered under the above criteria, parents must have named the school as a preference. Under the above criteria, all preferences are considered equally. If a child qualifies for more than one school they will be offered their highest preference as stated on their application form.</p> <p>* The 1.5 mile radius will be measured from the ‘address point’ of a school as defined by the Local Land & Property Gazetteer (LLPG).</p> <p>If under all the above criteria any single category resulted in oversubscription, those living closer to the preferred school would receive the higher priority.</p> <p>In the event of the school being oversubscribed where the applicant for the final qualifying place(s) available within the admission number is the parent/carer of twins, triplets or other multiple births the authority will breach the admission number to allow these children to be offered places. In the case of schools where there would be Infant Class Size issues such children will remain as an ‘excepted pupil’ to the class size limit for the time they are in an infant class or until the class numbers fall back to the normal class size limit of 30.</p> <p>Refer to section 1.4 of these Admission Arrangements for the definition of ‘home address’</p> <p>Refer to section 1.5 of these Admission Arrangements for the definition of ‘sibling’</p>

4.3	Prioritising applications by distance measurement
	<p>In the event of oversubscription, every application will be ranked in priority order according to the oversubscription criteria until the Published Admission Number/admission limit is reached (30 places available). This limit may be reached part way through a particular oversubscription criterion, with some applications still left to rank. Consequently, there will be a need to further refine the order of these applications and any that fall below this 'cut off' criterion.</p> <p>In all cases, distances will be measured in a direct line from the address point of the child's home address to the address point of a school as defined by the Local Land & Property Gazetteer (LLPG). Measurements will be determined using the Local Authority's GIS computerised mapping system.</p> <p>The ranked order of these applications will be determined by calculating the straight line distance between each child's home and the school with the shorter distance receiving the higher priority.</p>
4.4	Applying a tie-breaker
	<p>Where two or more distances are exactly the same and it proves necessary to determine a priority for these particular applications, the ranked order will be decided by the drawing of lots. This lottery exercise will take place at the school and be supervised by a person entirely independent of the Admission Authority and the school.</p>

5.0	Lodging an appeal
5.1	The legal right to an appeal hearing
	<p>The administration of school admission appeals is subject to statutory procedure set out in the 2012 School Admission Appeals Code issued by the Department for Education. A parent whose child is refused admission to the school is legally entitled to appeal this decision. The refusal letter issued by the Admission Authority will explain how an appeal may be lodged using the Appeal Form which is available to download from the school website, or from the School Office</p>
5.2	The basis on which an admission application may be refused
	<p>The Admission Authority can refuse to admit a child where a further admission would <i>'prejudice the efficient delivery of education or the efficient use of resources'</i> or where the admission would unlawfully breach the statutory Infant Class Size (ICS) Limit, resulting in an infant teaching group of more than 30 children to one qualified teacher for part or all of the school day. In the case of an ICS refusal, specific conditions set out in section 4 of the 2012 School Admission Appeals Code are 'tested' at the appeal hearing by an independent appeal panel. The grounds on which an appeal panel can uphold an ICS appeal are very limited.</p>
5.3	The appeal timetable
	<p>An Appeals Timetable is published on the school website by 28 February each year. This sets out the statutory time frame within which an appeal must be heard as well as the administrative timeframe within which the Admission Authority will process any appeal lodged with the school.</p>
5.4	Complaints about the administration of the appeals process
	<p>The decision of an independent appeal panel is binding on all parties. However, where there is concern that the appeal <u>procedure</u> has not been properly administered in accordance with the 2012 School Admission Appeals Code, a complaint should be raised with the School Governing Body. Where no local resolution is reached the parent may escalate the matter to the Local Government Ombudsman.</p>
