

RECEPTION ADMISSIONS - SEPTEMBER 2024

ALLOCATION STATEMENT FOR PENSFORD PRIMARY SCHOOL

PLACES AVAILABLE: 15

As Pensford Primary School was oversubscribed it was necessary to use the Academy Trust's admissions criteria, as published in 'A Primary School for Your Child – 2024/25', to allocate the places available at the school. Applications for all schools are considered under an equal preference system which means that all preferences (1st, 2nd & 3rd) for each school are considered equally. If there are any cases where more than one of the school preferences named on the application form could have been met only the highest preference school has been allocated.

A total of **35 preferences** were originally received for Pensford Primary school which has a published Admission Number of **15** for 2024-25.

If, under any of the categories listed, places were offered and refused, priority was given to those who live closest to the school as measured in a direct line between the home address and the school.

How the initial allocation of places was made for this school:

1 place has been offered to a child with an Education, Health and Care Plan where the school has been named in their plan. This child is included within the Admission Number for the school.

0 Category A Applicants - Children Looked After – Children who are in the care of a Local Authority or have previously been but immediately after being looked after became subject to an adoption, a child arrangement order, or special guardianship order.

10 Category B Applicants - Children who live within a 1.5 mile radius of the school and for whom there will be a sibling who lives at the same address in attendance on the admission date at the preferred school.

3 Category C Applicants - Children who live within a 1.5 mile radius of the school.

1 Category D Applicant - Children who live outside a 1.5 mile radius of the school and for whom there will be a sibling who lives at the same address in attendance on the admission date at the preferred school (with priority being given to children living closest to the school as measured in a direct line from the address point of the school). **The furthest direct line distance between the preferred school and the home address offered in this category was 2.125 miles.**

0 Category E Applicants - For Reception only, children of teaching staff who have been in post for at least 2 years.

0 Category F Applicants - Children who live closest to the school as measured in a direct line from the address point of the school.
