

3. APPENDIX C: LISTED BUILDINGS

Building	Description
<p>The Grange, Hallatrow List Entry Number: 1129567 Heritage Category: Listing Grade: II Location: THE GRANGE, High Littleton, HALLATROW, Bath and North East Somerset</p>	<p>House. Late C17 (1667 datestone recorded in 1952 survey now lost), with early C18 and early C19 alterations and additions. Rubble with stone dressings and pantile roofs. Corner site at junction of 2 roads forming L shaped plan with C17 wing facing south and C18 wing to rear. South front of 2 storeys, 4 windows with right hand early C19 elliptical bay. Some original 2-light ovolo mullions survive others have lost the central mullion and 3 further openings on the ground floor have been replaced by tall Gothick windows with moulded upswept ogee heads. Lozenge fenestration throughout with blind painted Gothick tracery in the ogee heads. Further, less exaggerated, 2 and 3 ogee headed lights to rear wing with small pane glazing. Brick stacks on stone bases.</p>
<p>Gatepiers to Stable Court at the Grange, Hallatrow List Entry Number: 1136516 Heritage Category: Listing Grade: II Location: GATEPIERS TO STABLE COURT AT THE GRANGE, High Littleton, HALLATROW, Bath and North East Somerset</p>	<p>Gatepiers. Late C18. Ashlar. 3 metres high. Square on plan with moulded bases and cornices, ball finials and scroll topped gate jambs.</p>
<p>Brook Farmhouse, Hallatrow List Entry Number: 1129568 Heritage Category: Listing Grade: II Location: BROOK FARMHOUSE, High Littleton, HALLATROW, Bath and North East Somerset</p>	<p>Farmhouse. C17 with late C17 - early C18 east addition. Squared and coursed rubble with stone dressings, copings and double Roman tile roof. 2 storeys, 4 windows to C17 left hand wing, 2 storeys, 2 windows to later extension. C17 wing has 4-light ovolo mullions under flush relieving arches to ground floor and 3-light ovolo mullions to upper floor, all with C19 casements. Later, right hand wing has one 4-light ovolo mullion window to ground floor and two 3-light ovolo mullions to upper floor, all with C19 casements. Glazed, gabled C20 porch to right hand wing with part glazed panelled door. 3 brick stacks. Newel staircase projection to rear of left hand wing on north east corner.</p>
<p>Tennis Court Farmhouse, Hallatrow List Entry Number: 1136543 Heritage Category: Listing Grade: II Location: TENNIS COURT FARMHOUSE, WELLS ROAD, High Littleton, Bath and North East Somerset</p>	<p>House. Dated I/B/A/1764 with later addition to roadside. Rubble with stone dressings, render to side walls and double Roman tile roof. 2 storeys and attic, 3 window south front. All windows are 3-light chamfered mullions with C20 aluminium lights except central upper window which is of 2 lights. Continuous dripmoulds to ground and 1st floors. Central doorway with chamfered architrave, flat hood on carved brackets and part glazed C20 door. Datestone above central upper window. Reconstituted stone stacks.</p>

Neighbourhood Plan 2024-2044

Building	Description
<p>Gazebo on Boundary Wall, 30 Metres East of the Court, Hallatrow List Entry Number: 1312737 Heritage Category: Listing Grade: II Location: GAZEBO ON BOUNDARY WALL, 30 METRES EAST OF THE COURT, HART'S LANE, High Littleton, Bath and North East Somerset</p>	<p>Gazebo. Circa 1700. Irregular coursed thin bedded sandstone with scraps of original ochre coloured render, freestone dressings and C20 slate roof. Square on plan with wide bolection surround openings on three faces and bolection architrave to doorway on west face. All openings void. 3 semi-circular late C19 stone steps up to doorway, coved stone cornice, pyramid roof with weather vane on apex. 1 corner stone stack with terracotta pot. Interior. North east corner fireplace with bolection moulded depressed arched surround.</p>
<p>The Court, Hallatrow List Entry Number: 1320759 Heritage Category: Listing Grade: II Location: THE COURT, HART'S LANE, High Littleton, Bath and North East Somerset</p>	<p>House. Dated D/1671 with C18 and 1873 additions. Squared and coursed lias, stone dressings, ashlar porch and double Roman tile roofs. C17 three bay wing parallel to road with 3 bay C19 left hand addition, C18 rear extension and further hand addition, parallel C19 addition to rear forming an irregular H shaped plan. Roadside front of 2 storeys, 6 windows. C17 range has 3-light ovolo mullions with hoodmoulds and C19 casements to ground floor and 2-light C19 chamfered mullions with casements to upper. C19 wing has 3-light chamfered mullions to ground floor, 2-light mullions above. Central C19 stone porch with rusticated side walls, Tuscan Doric piers and round-arched frieze to parapet. C20 door. Gabled dormer to left hand with 2 lights and ball finial. Ashlar stacks. Datestone on south end wall.</p>

Building	Description
<p>Church of Holy Trinity, High Littleton List Entry Number: 1320760 Heritage Category: Listing Grade: II Location: CHURCH OF HOLY TRINITY, HIGH STREET, High Littleton, Bath and North East Somerset</p>	<p>Anglican parish church. C15 west tower, remainder of 1884-8 by Wilson and Wilcox of Bath. Squared and coursed rubble, stone dressings to tower, finely dressed, squared and coursed freestone to remainder. Slate roofs. Nave, chancel, west tower, north and south aisles, north porch. The main body of the church is crude neo-Perpendicular with 2 cusped light windows with pointed heads. Tower of 3 stages with diagonal buttresses, polygonal north east corner stair turret, blind parapet and corner pinnacles. West facade with C19 2-light Perpendicular style window to 1st stage, 2nd stage blank, 2 cusped light openings to bell stage under pointed head and hoodmould. Other faces blank. Interior. 4 bay nave arcades with Purbeck shafted piers and moulded pointed arches. Hammerbeam roof with angel corbels. Open rafter roofs in chancel and aisles. Fittings. George II gilded and coloured wooden coat of arms above tower arch. Complete late C19 fittings including stained glass, pulpit, font and reredos. (Pevsner, Buildings of England : North Somerset and Bristol, 1958).</p>
<p>Brodribb Monument in Churchyard, 1 Metre South of Nave, Church of Holy Trinity, High Littleton List Entry Number: 1312742 Heritage Category: Listing Grade: II Location: BRODRIBB MONUMENT IN CHURCHYARD, 1 METRE SOUTH OF NAVE, CHURCH OF HOLY TRINITY, HIGH STREET, High Littleton, Bath and North East Somerset</p>	<p>Chest tomb. Early C18 : earliest date 1732. Limestone. Scrolled pilasters to corners and winged putti to centre with 2 panels to each side inscribed with florid italic script. Cyma recta cornice, plain entablature and coved slab. To John Brodribb and members of family.</p>
<p>Lansdown Monument in Churchyard, 1 Metre North of Nave, Church of Holy Trinity, High Littleton List Entry Number: 1129570 Heritage Category: Listing Grade: II Location: LANSDOWN MONUMENT IN CHURCHYARD, 1 METRE NORTH OF NAVE, CHURCH OF HOLY TRINITY, HIGH STREET, High Littleton, Bath and North East Somerset</p>	<p>Chest tomb. Late C18 : earliest date 1788. Limestone. Raised and fielded panels to each side with central festooned pilaster, foliage to angle pilasters, paterae frieze on entablature and coved slab. Inscriptions in capitals eroded. To Thomas Lansdown and members of family.</p>

Neighbourhood Plan 2024-2044

Building	Description
<p>High Littleton House, High Littleton List Entry Number: 1136525 Heritage Category: Listing Grade: II Location: HIGH LITTLETON HOUSE, HIGH STREET, High Littleton, Bath and North East Somerset</p>	<p>House. Circa 1710 with early C19 service addition and alterations. Squared, dressed and coursed stone to north facade, ashlar to south front, irregular coursed rubble to side walls. Freestone dressings, copings, quoins, slate roof. 3 storeys and basement, 5 bay north front with 1 storey left hand service addition. Basement has keyed oculi either side of central door and cross mullioned windows with segmental heads. Similar cross mullions with leaded pane glazing to all 3 storeys but those in the top storey have straight heads. Central doorway with moulded architrave and triple keyed head. Stone doorcase with Ionic pilasters, pulvinated frieze and entablature which develops into string course. 8 panel 2-leaf door with top 4 panels glazed. Chamfered and rusticated quoins, moulded string courses and cornice. Stone balustrade enclosing basement area returned to walls at each end. Double span roof with end stone stacks. Early C19 south front with 12 x 6 pane sashes to ground floor, 6 pane sashes to 1st floor and 3 segmental headed dormers. Central Tuscan Doric porch, glazed door. Interior. Ground floor right hand room has 1 raised and fielded panel wall. Circa 1710 staircase with ramped handrail and thin balusters possibly resited. (Pevsner, Buildings of England : North Somerset and Bristol, 1958).</p>
<p>Church Farmhouse, High Littleton List Entry Number: 1390865 Heritage Category: Listing Grade: II Location: CHURCH FARMHOUSE, CHURCH HILL, High Littleton, Bath and North East Somerset</p>	<p>House; probably the remaining wing of a larger house. Circa late C17; remodelled C18. Limestone rubble with freestone dressings. Welsh slate steeply-pitched roof with stone-coped gable ends. Stone gable-end stack with short ashlar shaft with cap and string course. PLAN: Rectangular on plan with room at south end separated from the rest of the house by a partition wall apparently without a connecting doorway, but with an external doorway at the front; the centre bay is divided axially into front and back rooms and there is an integral single-storey outshut at the north end, probably the result of partial demolition and possibly containing unheated service rooms. Thought to be the remaining wing of a larger house, the rest of which is no longer extant.</p> <p>EXTERIOR: 2 storeys. 4-bay west front with 2-light cyma-moulded stone mullion window frames without hoodmoulds, the first floor with small gables over; to left and right blocked stone segmental arch doorways with small keystones; left hand bay is in integral lean-to outshut with similar 2-light stone mullion window. Similar windows and one later wooden casement at rear.</p> <p>INTERIOR observed from first floor west front window; tenoned-purlin roof structure.</p> <p>NOTE: Church Farmhouse is reputedly the surviving wing of the seat of the Hodges family, who were the principal landowners in the area and had coal mining interests on the estate.</p>

Building	Description
<p>The Willows, High Littleton List Entry Number: 1136536 Heritage Category: Listing Grade: II Location: THE WILLOWS, HIGH STREET, High Littleton, Bath and North East Somerset</p>	<p>House and shop. House dated AD/Lion's Head/1777; shop is a late C19 lean-to addition to right hand. Render with stone dressings, copings and double Roman tile roof to house, C19 extension is part wooden with a glazed round-arched arcade below eaves. House of 2 storeys, 2 windows. All windows are 2-light edge moulded mullions with hoodmoulds and C19 casements. Central doorway with chamfered architrave and flat hood on carved brackets. C20 pine plank door. Datestone in centre of upper storey. End brick stacks.</p>
<p>Cottage Farm, High Littleton List Entry Number: 1320761 Heritage Category: Listing Grade: II Location: COTTAGE FARM, TIMSBURY ROAD, High Littleton, Bath and North East Somerset</p>	<p>House. Dated 1724 with early C19 addition. Coursed and squared rubble with stone dressings, pantile roof. Garden front of 2 storeys. C18 wing of 2 windows to left hand, C19 extension of 3 windows. 3-light ovolo mullions with C19 casements and one sash to C18 wing. C19 wing has upswept ogee headed Gothick windows with moulded surrounds and lozenge glazing to ground floor, single light chamfered windows with similar glazing to upper floor. C20 gabled porch to C18 wing, further C19 porch to right hand wing with arched lead canopy and lozenge glazing on wooden piers. Part glazed 4 panel door to C19 wing under upswept ogee head. Datestone between upper windows on C18 range. End brick stacks on stone bases, central stone stack.</p>
<p>The Shop, High Littleton List Entry Number: 1129569 Heritage Category: Listing Grade: II Location: THE SHOP, HIGH STREET, High Littleton, Bath and North East Somerset</p>	<p>House and shop. House dated B/T/M/1775; shop is a C20 extension. Squared and coursed rubble with flush quoins, stone dressings, copings, slate roof with some slates renewed to house. Shop parallel to road, house set at right-angles. House of 2 storeys, 2 windows. All windows are 2-light edge moulded mullions with hoodmoulds except central upper window which is a round-headed, keyed single light opening with hoodmould. Ground floor windows have 6 pane sashes, upper are of 2 panes; central upper window has intersecting glazing bars. C20 lean-to wooden porch and 6 raised and fielded panel door with top 2 panels glazed. Datestone to left of central upper window. End stone stacks.</p>
