SECTION 2- SCHOOL PREFERENCES

Your preferred **Junior** school(s) should be shown in the preference boxes below in priority order. The booklet gives a detailed explanation of the equal preference system. You do not have to show a second or third preference if you do not wish, although you are strongly recommended to do so. You can express a preference for any **Junior** school, including Voluntary Aided (VA) or Academy Schools, within any Local Authority (LA). **Please do not use this form to apply for a primary school place**. You will need to complete an In-Year application in June 2022 as any such request has to be considered for a place in an existing year group and is dealt with under the In-Year admissions scheme. As there is no guarantee that places within a primary school will be available, please make a **Junior** school transfer application by the closing date so that your child is not disadvantaged and can be considered alongside other children for whom Junior school preferences have been made.

Please consider your preferences carefully as, after the closing date, if you decide to change your school preference (or preference order) your original application will be withdrawn, and your child will NOT be considered for a school place in the first round of allocations even if the original application was received before the closing date. (See booklet for further details)

Completion of the boxes does not guarantee that a place can be offered to your child at one of these schools. Every effort will be made to offer you a school of your preference. However, if schools receive more applications than places available, the admissions criteria will be used to decide which children can be offered places. **Please note that all preferences are considered equally and if your child qualifies for a place at more than one school you will be offered your highest preference school.**

When completing your preferences if there is more than one school with the same name please also include the area in which the school is situated.

My 1st Preference school is:

If you knowingly give false information in order to obtain a school place you could be prosecuted for the offence of fraud by false representation under the Fraud Act 2006 or any other appropriate act.

If false information is provided your application will be void and you will be required to submit a further application. If this is received after the published closing date it will then be regarded as a late application. If it is found that a sibling currently at the school was also offered a place on the basis of false information, then for any further applications received the authority will discount the sibling's connection.

In fairness to all parents the Council reserves the right to require documentary evidence of the genuineness of the family address and, if this is not produced, the Council reserves the right to make its own enquiries with, for example, the Council Tax Offices and other authorities.
